

Need Physiotherapy?

3 Steps To Return To Full Fitness After Injury...

If you have suffered an injury and need to return to work or your sport ASAP but can't wait for NHS physiotherapy treatment, just take these 3 steps...

1. Call me now for a **FREE physio telephone consultation**
2. **If necessary**, visit me for a full physical assessment
3. Follow my programme of treatments and exercise to return to full fitness fast

The result – **97% of my clients return to their work or sport with full fitness within 6 weeks.**

“I felt better after the first treatment and am now fully recovered and fitter than ever all thanks to Lyndsay”.

Richard H, Wolverhampton. (Triathlete)

My fees are very competitive and all private medical insurance schemes are accepted with an appropriate GP referral. Treatment available at clinics in Wolverhampton & Telford - please see website for directions.

Fees: Initial Assessment & Treatment Only £35
Subsequent Treatment Session Only £33

Call me now on 07906 260391 for your FREE physio telephone consultation and return to your work or sport fast.

Lyndsay Sherratt MCSP, SRP Official Physio provider for Esporta Wolverhampton, and various sports teams. Registered physio with BUPA, & other private healthcare and insurance providers.
